PROFESSIONAL SUMMARY

I am a motivated and hard-working individual with a knack for juggling projects in a timely and efficient manner. I pick up on concepts quickly, and love to expand my knowledge learning by experience. I am open to both remote and on-site opportunities, and would love to focus in React.js and have a natural lack for design.

WORK HISTORY

Lambda X. Remote
Student | 09/2020 - Current

- **I am currently looking for opportunities and working with Lambda X**
- Planned, prepared and participated in weekly meetings and events
- Reported back to instructor and management to receive day-to-day tasks and responsibilities

Andiamo Detroit Riverfront. Detroit, Michigan
Bartender/Server | 01/2018 - 06/2019

- Collaborated with kitchen team to support order preparation, manage efficient deliveries and minimize customer service issues by verifying meals
- Upsold high-profit items such as appetizers and mixed drinks to increase sales and profits
- Worked with POS system to place orders, manage bills and handle complimentary items
- Enhanced operational efficiency by using slow periods to restock supplies

Coach Insignia. Detroit, Michigan
Server | 12/2016 - 05/2017

EDUCATION

Lambda School
Remote
09/2020

Lambda School Endorsement, Full-Stack Web Development: Full-Stack Development
I took Lambda's Full-Stack Web Development course, completed on:
Sep 1st, 2020.

- Created a high-end experience for clientele.
- My main takeaway was that the small details are what matter most.
- Upsold high-profit items such as appetizers and mixed drinks to increase sales and profits
- Created orders, documented special requests and followed up with kitchen personnel to foster top-quality service
